OLD ABE'S WAR.

SURRENDER OF FORT SUMTER!!

In the teeth of his late professions—in opposition to public opinion—in defiance of Gen. SCOTT'S remonstrance—in disregard of the wishes of Maj. ANDERSON—ABRAHAM LINCOLN, the poor imbecile who occupies and disgraces the Presidential chair, has thought proper to commence a civil war—and what a commencement! The first battle is a triumph for South Carolina! Fort Sumter has surrendered to the enemy, and the great North and her people stand defeated and disgraced before the world! Until quite recently Mr. LINCOLN had determined to evacuate that Fort. He had informed Maj. ANDERSON of this determination, and, with few exceptions, the Republican journals of the whole North applauded and bespattered him, with compliments for arriving at this conclusion. "The fort cannot be reinforced without naval force a of 20,000 men," many of them told us; and, "even if reinforced, it will accomplish nothing," chimed in others. But after this policy had been agreed upon by LINCOLN and his Cabinet, and endorsed by nearly all the Republican papers, a sudden change came over the President's dreams, and he arrived at the conclusion to drench the country in blood by civil war! Who advised this change of policy? Who influenced the President after he had assured Maj. ANDERSON and the country that he would not resort to coercion? Who influenced him, we say, and forced him to violate his word? The question is easily answered. The extreme Abolitionists, who direct and control LINCOLN, were the men who demanded civil war, and compelled the President, against his own judgment, to attempt an impossibility, the reinforcement of Fort Sumter. GREELY, the man who "prefers the Chicago platform to fifty Unions;" SUMNER, who said the "South must be humbled;" LOVEJOY, the crazy Abolitionist who compared JOHN BROWN to our Saviour; CARL SCHURZ, the Infidel foreigner; BURLINGAME, who wants an "anti-slavery Bible;" WILMOT, the one-idea Abolition Senator from this State—these are the men who forced "old ABE" to declare civil war. *They* demand the reinforcement of Sumpter, notwithstanding Gen. SCOTT had said that it never could be done.—Why did not these war-like gentlemen assist in the hazardous undertaking? We notice that nearly all the late U. S. Senators from the South, are in the ranks of the volunteers, fighting for what they believed to be their rights. Why don't WILMOT, SUMNER, LOVEJOY, and BURLINGAME shoulder muskets and fight for the Chicago platform? They demanded this war, now let us see their courage tested.

[illegible] of LINCOLN'S war as far as it has gone. Bells are ringing in the South, and the loud huzzas of her people are heard—blood has been spilled—men have been shot down by their brethren—Sumter has surrendered—the North is disgraced! When hostilities are to cease, God only knows. We may in all probability will, have a war of years, and our country may be drenched with blood before the end. Our Union is doomed—doomed because of the triumph of an unprincipled sectional, Abolition party. Heaven protect us!

But, now that we are in the difficulty—now that we must look the fearful reality in the face, our duty, as good citizens, is plain—*we must stand by the Government, we must sustain the President, and hold up his hands in this crisis.* Pennsylvania, we doubt not, will do her whole duty, and will assist, with mighty power, to crush rebellion, come from what quarter it may.—*American Volunteer.*

A TOUGH "YARN" ABOUT WESTERN VIRGINIA.

"Old Gabe," was especially given to "Tough Yarn-spinnings." On one occasion, while sitting, after supper, before a huge log fire that roared and crackled in the deep throated chimney-place, he commenced, as usual, to entertain our clerical friend with a few exploits of his young days. He remarked, "Game is not nigh onto as plenty as it used to be in old times." "No," replied his friend, "I suppose hunters are more numerous?" "Not nigh onto as plenty," continued Uncle Gabe, who seemed to be lost for a moment in a reverie, then giving his grey locks a toss and elevating his shaggy eyebrows, "nigh onto as plenty." When I was a young man in these parts, people had no trouble to get anything they wanted in the likes of meats. Sometimes they had trouble to raise corn, as the tarnal varmints had to be watched to keep them from carrying away the whole field. One day, along in the fall of 18—I concluded to go out and scout about and see if I couldn't bring home a few wild turkeys, as the neighbors said they was uncommon thick. I hadn't been out afore. So I tuk down "Old Bets," and started towards the Yough, (Youghiogheny,) and when I come down to the river, I looked on 'tother side and I see sixteen turkeys settin' side by side, on a limb that hung out over the water. I fired away and split the limb wide enough to let the turkeys' toes in.—The ball went through, and the crack closed up and held 'em fast! I loaded and fired agin and cut the limb off, and down it fell in the water.

I see the wild honey coming out by the gallon from where I had cut it off. I started to wade across the river to get the turkeys; and when I had got about half way over, the fish ran in under my trowsers so thick that they busted off a big metal button at the top of it.

☞A priest, proceeding to the chapel one Sunday morning through the burial ground, observed several sprightly little girls seated on a tomb-stone, and wishing to be jocular with them, asked what they were doing there.—"Nothing at all, plaze your riverence," was the reply of one of them.

"Nothing!" said he. "What is nothing?" "Shut your eyes, your reverence," retorted one of them, and you'll see it."

WHERE ARE THE WIDE-AWAKES?

Night after night last fall our streets blazed with the torches, and resounded with the shouts of men and boys, who kept military time and wore glazed caps and horse collars, denouncing the South and her institutions. We warned them time and again of the sad and disastrous consequences which must follow from their insanity. We begged of them by every consideration of patriotism and humanity to desist from a course that must inevitably result in ruin to the country. We referred them to the wise and prophetic warnings of such men as Washington, Clay and Jackson. But the Wide-Awakes would not listen. Lanterns, and capes, and flags multiplied in our streets. Banners floated, and drums were beaten, and in a while the deed was done.

And now, Gentlemen Wide-Awakes, how do you like it? No longer than last autumn you had work and fair wages. But how is it now? Where is your work and where are your wages? No money—no employment, unless you take service under President Lincoln to do legalized murder upon your countrymen. War is now begun, and men will be needed to furnish food for powder. The people of the South are armed and ready for your reception. The diseases of the Southern climate are waiting patiently for their victims. But where are the Wide-Awakes now? Where is the half million of Wide-Awakes who were to overrun the South and reduce it to subjection? Their services are needed, and we insist that they shall do the fighting.—*Greensburgh Democrat.*

WHAT IS LINCOLN DRIVING AT?

The partizans of the Administration, who are so violent in their denunciations of all who do not approve of the policy of civil war, do not pretend that war will result either in the enforcement of the laws or the restoration of the Union. On the contrary, the admission is explicity made that "war with the seceded States will *not* bring them back into the Union." Indeed, ater the daily exhibitions of intense hatred to the Southern States, made by that class of Republican journals most anxious for war, it is impossible to believe that they desire to be again associated with the seceded States. If, then, war is not to bring these States back into the Union, what is its object? When we are called upon to stand by the Administration, *we would like to know what the Administration is driving at.*

WHO ARE FOR THE UNION?

The Black Republicans pretend to be in favor of the Union, but they refused to pass the Crittenden Compromise, which would have saved the Union, and insured quiet and prosperity to the people. The Union *professions* of the Black Republicans are worth nothing, so long as all their *acts* create hatred and ill-will among the people of the States.—The present course of the Lincoln Administration can have no other effect than to destroy the Union forever.—*Gettysburg Compiler.*

THE COUNTRY SPEAKING!

☞The Democrats carried Hartford, Conn., on Monday, by 500 majority!

☞Complete Democratic ticket elected in the city of Milwaukie, Wisconsin!

☞Albany, N. Y., April.—The Democrats carried the Charter election to-day by over 1,600 majority!

☞Trenton, N. J., April 9.—The election in this city to-day resulted in the success of Wm. R. Kean, Rep., as Mayor, and Starin, Dem., as Marshal. A majority of Democrats on the city and ward tickets were elected!

☞The Democrats of Hoboken, on Wednesday, elected their Mayor and other municipal officers!

☞A poor editor out West somewhere, falling into the hands of the Philistines, broke forth in the following gizzard moving appeal:

Sheriff, spare that press!
Touch not a single type;
Don't put me in distress,
To stick to me through life.
'Tis all in all to me—
If lost, what shall I do?
Then why not let it be?
Oh, Sheriff, boo! hoo! hoo!

CHEATING GOING ON.—Some years ago a game of poker was being played in this place. Jim C—— was in it, and during the game contrived to steal the four aces and lay them on his knee, to be played at the proper time.—The player who sat next to him saw the move, and slipped the aces from their hiding place, putting four other cards in their stead. When Jim's turn came to deal, he called on all hands to go it blind. "I'll go over all of you."—When all were in deep enough to suit him he reached for his aces, and brought up something else. Throwing his cards on the table, in a tone of indignation he exclaimed:

"Gentlemen, I can't play in this game; there's cheating going on!"

☞Parson Green, a preacher in the habit sometimes of drawing upon a box of sermons, bequeathed him by his father, who was also a minister, upon one occasion got hold of a sermon, by mistake, which the old gentleman had once preached to the State prison convicts. It opened well, and the congregation were becoming deeply interested, when all at once the parson surprised them with the information, that "had it not been for the clemency of the governor, every one of them would have been hung a long time ago."

☞"So there's another corruption of Mount Vociferous," said Mrs. Partington, as she put up her specs.

"The paper tells about the burning lather running down the mountains, but it don't tell how it got a fire."

☞The Pittsburgh *Dispatch* informs us that Gov. Curtin is supposed to be $75,000 better off since the repeal of the tonnage tax, than he was previous to that event. It also states that Mr. A. K. McClure, Republican Senator from Franklin, who was the leader in conducting that measure thro' the Legislature, has recently purchased a valuable farm, near Chambersburg, which he is expensively fitting up. The *Dispatch* strongly intimates that the latter gentleman was not in quite such good circumstances, before the passage of the tonnage tax bill.—These two "pure and incorruptible" Republican patriots (?) must have had a splendid "windfall" from some source, and perhaps our cotemporaries, who have prated so loudly about Democratic "corruption" would be able to tell where. Have we no Covode in our State Legislature?

☞A Darkey jury of Inquest sitting on the body of a deceased negro, the other day, returned the following verdict:

"We, de undescribe darkes, being a Kurners Juray ob disgust, to sit on de body ob de nigger [illegible] had gone before us, hab been sittin' on de said niggar aforesaid, did on de night ob de fusteeth of Juvember, come to his deaf by fallin, from de said riber, whar we find he was subsecomely drowned, and afterwards was washed on de riber side, whar we spose he frose to def."

☞A lady officer, if she wished to give the word "halt" to her troops, would do it somewhat in this wise:—"You soldiers, all of you, now mind, I order you, as soon as I have finished speaking, to stand still, every one of you, on the spot where you may happen to be; don't you hear me? halt, I say, all of you!"

BEDFORD GAZETTE.

—BEDFORD, Pa.—

FRIDAY : : : : : : : APRIL 26, 1861.

B. F. Meyers, Editor & Proprietor.

CALL AND SETTLE.

We are compelled to call upon all persons indebted to us, to make payment as soon as they conveniently can. Our necessities are urgent *and we must have money*. We shall confidently expect all our friends who may be in attendance at the coming Court, to pay up their arrearages. We hope this appeal will not be in vain.

Our Position.

Our readers will, doubtless, be thoroughly convinced by this time that the predictions made in these columns from time to time, have been fully verified. We are now in the midst, in the very white heat, of civil war. The revolution in the Southern States is spreading so rapidly that it now threatens to overwhelm every one of the fifteen slave-holding states.—The conflict is now approaching our own borders, and it becomes us as good citizens to unite as one man, for the defence of our State and our homes, against invasion from the bordering states. Deeply impressed with the importance of unanimity when such danger threatens us, we will suspend, for a time, the discussion of the causes which led to the present unhappy condition of our country and devote our space and attention to the preparation of our people for the defence of their country and their homes. Under the time-honored banner of the Union, we will stand or fall, for the liberty, equality and protection of which it is the symbol.

Stand by the Union!

Democrats! We have fought, in other times, to maintain the Union against the attacks of its sectional enemies. Now that we are in the midst of this bloody civil feud, let us stand by the old banner under which we have marched to many a political battle. Let us not be heard crying, "The North against the South," or "The South against the North," but "THE GOVERNMENT AND THE UNION!" It becomes our duty, our sacred, solemn duty, as citizens of a State loyal to the Government, to stand up for the maintenance of the authority of that Government. Let us be true to the covenant formed by our fathers, and discarding [illegible] for the vindication of the Constitution and the restoration of the Union.

"The Union, Oh! the Union,
So glorious and so pure!
We'll shoulder stand to shoulder,
To keep our Union sure."

Senator Douglas.

This distinguished Democrat takes the position that whilst he was entirely and emphatically opposed to the policy of the Administration, which has involved us in our present difficulties, and whilst he will be unalterably hostile to the political doctrines of that Administration, he believes it his duty to lend all the aid he can give to the President in the exercise of those powers which the Constitution has vested in his office. This is the position for Democrats to take. Stand by the Government, but preserve your organization, your principles, your opinions, and never, *never*, yield one jot of that creed which you believe to be the hope and the salvation of your country.

Our Flag.

The glorious banner of stars, floats majestically above our office, bearing upon its azure field the whole constellation of the Union. That flag to us is full of meaning. It is the emblem of liberty. It is the ensign of the Constitution. It means not only stars and stripes, but it means freedom of opinion, freedom of speech, the equality of American citizens, the protection of all men equally and alike. It does not mean lynch law, it does not mean mobs, but equity, justice, order, the laws of the land. Let its meaning not be perverted. Let it be maintained in all the unsullied splendor of its primal purity.

A word to our Southern Neighbors.

The latest reports by Telegraph bring us the intelligence of skirmishes and battles in Maryland, and of an intended descent upon the border villages in Pennsylvania. We would say to our neighbors, bethink yourselves of the past. The people of the border counties in Pennsylvania, have always fought valiantly for your rights and yielded not till the last foothold slipped from under them. Repay not their kind offices with such ingratitude. Should you attempt to do so, former friend and former foe will be compelled to unite for the purpose of repelling your assaults. Let us have no guerilla warfare like this.

☞Having maintained our freedom of speech, and believing the threatened reign of terror a failure, we shall cease, with this issue, to speak of the causes which produced the results that are now upon us, until public affairs assume a more settled condition. We make this statement, so that our position may not be misunderstood.

Personal.

The tongue of malice has been wagging busily in this community during the last week.—Hoary-headed pusallanimity, joined hands with the lily-livered cowardice of overgrown braggarts, and the neighborhood, nay the whole county, was flooded with malevolent, but ridiculous and harmless falsehoods concerning our position in regard to the war. It was reported that we were a Secessionist (!!!); that our office had been surrounded by a mob; that we were to be hung; that we were compelled to hoist the Stars and Stripes, &c., &c. Now, it is hardly necessary to give a formal contradiction to this puerile gasconade of a malicious, frightened and excited opposition. But for the benefit of those weak enough to be misled by such silly fabrications, we would say,

1. It is a lie that we are a Secessionist, and the man who dares to say it, is a coward and poltroon.

2. Our office was not mobbed, nor was there any attempt to do so, and it is just as well for all parties concerned, that there was not.

3. We have not been hanged as yet; if we have, we must have been under the influence of chloroform, whilst that pleasant operation was going on.

4. We hoisted the flag of our country of our own free will, and its folds were unfurled above our office by the hands of our friends, unpolluted by the touch of those who are our enemies for opinion's sake.

Local and Miscellaneous.

....The greatest excitement has prevailed in our town during the last ten days, owing to the breaking out of the civil war between the Government and the people of the South. Business has been in a measure abandoned.—The implements of peace have been thrown aside for the weapons of war. The measured tread of the soldier is heard in the street, and all is bustle and preparation for the bloody strife. The heart of the true patriot sickens within him, as he contemplates this melancholy condition of things. To the thoughtless and giddy, it may be all a frolic; to us it is the harbinger of a most dreadful and devastating storm.—But it behooves us to prepare for the safety of our own country, as well as for the defence of our flag, and, therefore, we must needs put on the soldier and learn the "rude and ruthless arts of war."

....A number of the young men of this place and the surrounding country, have formed themselves into a company and tendered their services to the Governor. We believe their offer has been accepted. John H. Filler, of this place, was elected Captain, and Edwin S. Mops, of Bloody Run, First Lieutenant.

....We have had several war speeches in our town recently. Hon. John Cessna has taken the most prominent part in urging the people to arms. Wm. Hartley, Esq., made a speech on Saturday night last, in which he said that he was for the Union, the Constitution and the enforcement of the laws; but that [illegible] he would bear the olive branch in the left.—Mr. Hartley spoke the sentiments of the great mass of the people in Bedford county. Maj. Tate also addressed the soldiers on Monday evening, but we did not have the pleasure of hearing his address.

....Wouldn't work—the stories sent out by certain malicious cowards to the effect that our office had been mobbed and that a flag had been placed upon it against our will. The people knew too well that the Stars and Stripes are our own flag, the flag of the Democracy, to require any force-work to have it hoisted on our establishment. Those who knew us best, were well aware, too, that we would never be forced to do anything against our will. Gentlemen malignants, that flag is the ensign of Democracy, and you can't steal it from us, nohow!

....The Post office has been removed to the hatter shop of the Messrs. Kiser, on Juliana street. The new P. M., William Kiser, Esq., though an uncompromising "Republican," is a good citizen and we doubt not, will make a good officer.

....We have received an anonymous communication, informing us that our visit to "Secessionist B——" on Monday night last, was strictly watched! Well! Well! Has it come to this? Must a freeman ask the privilege of the town to visit a neighbor in distress?—Mr. B—— is not a secessionist, as he has frequently declared to us, but has brothers and sisters living in Maryland, in regard to whose welfare he is deeply concerned. Happening to know this, we deemed it our duty as a friend, to advise him of occurrences in Maryland as reported by telegraph, and having heard that he was fearful of certain threats made against him, to assure him that he was in no danger. We spent just ten minutes in Mr. B's house.—If any old woman in breeches disapproves of our conduct, let her (him) state her objections to us, and the next time we call upon any of our neighbors, we will ask her (his) permission to do so.

....Capt. Phil. Morgart has organized a fine company whose services will be tendered to the Governor. The Captain is a man of the true grit and as "whole-souled a fellow" as can be found anywhere.

....We call the attention of our readers to the advertisement of Mr. J. B. Farquhar, late of Bloody Run, who has opened a Grocery and Confectionary Store in the old Brown stand lately occupied by Col. John Alsip. Mr. Farquhar will be able to accommodate the public with anything desired in his line of business.

....Mr. Wm. Cook, late of Bloody Run, has established himself in the old Claar blacksmith shop, in the Western part of the town. Cook is said to be a good mechanic. Try him.

....Several robberies have been committed in our town, within the last few nights. Several persons have had watches and other articles taken from them. A night police has been organized by the borough fathers.

☞The latest news from the South, indicates that the Federal Capital is in no danger of capture. The road to Washington from the North is open. It is supposed that 20,000 troops will have concentrated at that point by this time.

☞J. M. Shoemaker & Co, have just received a large assortment of splendid new spring and summer Goods, which they will dispose of at panic prices. Give them a call.

LET THE UNPREJUDICED READ!

How they talked four weeks ago!

The Bedford *Inquirer*, of April 5th, copied the annexed article into its second editorial column, without comment, or explanation, thus adopting it as its own sentiments. Four weeks ago this precious stickler for the Union, instructed his readers that the return of the seceded states was not desired, and that, "To such a Union the Providence of God has said, 'Two nations are in thy womb, and two manner of people shall be separated from thy bowels!" Then, the cry was, "Let the seceding States go. "And if the dwellers on the Atlantic slope of North Carolina and Virginia choose that destiny, let them too go." But now how changed!

[From the Bedford *Inquirer*, April 5th, 1861.]

IS THE VOLUNTARY RETURN OF THE SECEDING STATES DESIRABLE?

This question, we think, has not been sufficiently considered. It ought to be considered now, not only by the Government, but much more by the people. Unthinkingly, it seems to be assumed that, if those States will return voluntarily, in mere discontent with the growing inconveniencies and expenses of secession, all will be well. We are of a different opinion; and we are confident that thinking minds throughout the country are coming to the conclusion that the re-annexation of those States, even by their spontaneous return, is not to be desired at present.

Such a re-annexation is not to be desired, unless the principle is first established, by precedents never to be forgotten, that secession is treason, and that treason is a crime to be punished. The leaders of the present secession have levied war against the United States.—After employing themselves in this way for six months, shall they be permitted to return, and to remain within the reach of Federal marshals and the jurisdiction of Federal courts, without being hanged for their treason? If we live to see this, why may we not live to see Toombs and Wigfall again adorning the Senate, and Jefferson Davis the successor of Washington? Why shall not Twiggs be restored to his rank in the army? Why shall we not assume all the debts of the Montgomery Government, and pension all those who have served more than ninety days in the revolutionary army? A "reconstruction," even by the voluntary return of the secessionists, presumes that there will be, on the part of the United States, a full amnesty of the treason. Such an amnesty would be a virtual destruction of the Government. Therefore, we say that the return of the seceded States, even voluntarily, is not to be desired, unless some of the leaders in the treason are to receive the due punishment of their crime with the full consent of the South and North.

Nor is it to be desired, unless the cause which has produced this secession is removed. Less than ten years ago the Union of these States seemed, to us, indissoluble. The balance between internal self-government in the several States, and a more than imperial strength and beneficence in the Union, is so marvelously adjusted by the arrangements of the Constitution,—the benefits which the Union confers on every state are so important, so numerous, and so cheaply purchased,—that it seemed impossible for any English-speaking republic to exist in proximity to this Union without falling into it, as Texas did, by a gravitation too powerful to be resisted; and especially impossible for any state, after the experience of those benefits, to tear itself away from its place and orbit in the system, and make itself a "wandering star for which is reserved the blackness of darkness forever." We knew indeed the chronic insanity of South Carolina, but we did not admit the possibility of the same insanity in other states Our mistake was that we did not adequately consider the fact (obvious even then) that in the cotton states the structure, genius, and all the tendencies of society, are controlled by the barbarous and barbarizing institution of negro slavery. It is the distinction of those states that there the interest of slavery predominates over every other interest in society, and the influence of slavery over every other influence. There is no impossibility of permanent union between states in which slavery exists and states in which all men are free, if slavery may be regarded as abnormal, an accidental and temporary inconsistency, an evil which must be endured till the progress of civilization shall remove it. But when, in any portion of such a union, the institution of slavery has become paramount—the idea of slavery, as intrinsically right and good, controlling all legislation and public policy, all social and public morality, all religious doctrine, and mingling with all the impulses and aspirations of patriotism—then it is no longer possible for those states to be comprehended with free states in one nationality. To such a Union the providence of God has said "Two nations are in thy womb, and two manner of people shall be separated from thy bowels." We must accept the fact. It is no accident that has caused this secession. The predominance of slavery in the cotton states has produced there, a distinct nationality, and *unless that cause of the present secession* can be removed, the return of the seceded states to their place in the Union is not to be desired.

Let the Seceding States go! How evident is it that God, for great and beneficent purposes of his own, has permitted this insanity to come upon them. Let them go to work out their own destiny by themselves! *And if the dwellers on the Atlantic slope of North Carolina and Virginia choose that destiny, let them too go? The policy of coercion is impolicy.* The boundary between the two inevitable nationalities will be most wisely determined by the elective affinities of the population. Wherever that boundary may be established, it will be moveable, southward, if Eastern Virginia, or Virginia entire, chooses to go with secession.—Virginia will return whenever the interests of freedom there shall predominate over the slave-breeding interest. Till then let her go, if she will.—*Independent.*

Virginia Armed Against the Union.

BY THE GOVERNOR OF VIRGINIA—A PROCLAMATION.

RICHMOND, Va., April 18.—WHEREAS, seven of the States formerly composing a part of the United States, have, by authority of their people, solemnly resumed the powers granted by them to the United States, and have framed a Constitution and organized a Government for themselves, to which the people of those States are yielding willing obedience, and have so notified the President of the United States by all formalities incident to such action, and thereby become to the United States a separate, independent, and foreign power,

And, whereas, the Constitution of the United States has invested Congress with the sole power "to declare war," and until such declaration is made, the President has no authority to call for an extraordinary force to wage offensive war against any foreign power; and whereas, on the 15th inst., the President of the United States, in plain violation of the Constitution, issued a proclamation calling for a force of seventy five thousand men, to cause the laws of the United States to be duly executed over a people who are no longer a part of the Union, and in said proclamation threatens to exert this unusual force to compel obedience to his mandates; and whereas, the General Assembly of Virginia, by a majority approaching to entire unanimity, declared at its last session that the State of Virginia would consider such an exertion of force as a virtual declaration of war, to be resisted by all the power at the command of Virginia, and, subsequently, the Convention now in session, representing the sovereignty of this State, has re-affirmed in substance the same policy, with almost equal unanimity; and, whereas, the State of Virginia deeply sympathizes with the Southern States in the wrongs they have suffered, and in the position they have assumed; and having made earnest efforts peaceably to compose the differences which have severed the Union, and having failed in that attempt, through this unwarranted act on the part of the President; and it is believed that the influences which operated to produce this proclamation against the Seceded States, will be brought to bear upon this Commonwealth, if she should exercise her undoubted right to resume the powers granted by her people, and it is due to the honor of Virginia that an improper exercise of force against her people should be repelled: Therefore, I, John Letcher, Governor of the Commonwealth of Virginia, have thought proper to order all armed volunteer regiments or companies within this State forthwith to hold themselves in readiness for immediate orders, and upon the reception of this proclamation to report to the Adjutant-General of the State their organization and numbers, and prepare themselves for efficient service. Such companies as are not armed and equipped will report that fact, that they may be properly supplied.

{ L. S. } In witness whereof, I have hereunto set my hand, and caused the seal of the Commonwealth to be affixed, this 17th day of April, 1861, and in the eighty-fifth year of the Commonwealth.

JOHN LETCHER.

Riot at Baltimore—The Federal Forces Attacked by a Mob—The Killed and Wounded.

BALTIMORE, April 19.

The detachment of Gen. Small's First Pennsylvania regiment and the Massachusetts regiment have arrived and are now marching through the city on their route to the Baltimore depot.

SECOND DISPATCH.

A terrible scene is now occurring in Pratt street, the track having been torn up by the secessionists. The troops from Philadelphia and New York attempted to march through, and were attacked by the mob with bricks and stones.

The military fired upon their assailants, who returned the fire.

Two members of the Seventh Massachusetts regiment were killed, and several were wounded.

The fight is still going on. Ten of the mob are said to be wounded.

THIRD DISPATCH.

At the Washington depot an immense crowd has assembled. The rioters attacked them at the depot. The military fired on the mob, and several persons were wounded; some fatally.

There is said to be four of the military and four rioters killed.

The city is in great excitement. Martial law has been proclaimed.

The city military are rushing to their armories.

Civil war has commenced. The railroad track is said to be torn up outside of the city.

Certain parties threaten to destroy the Pratt street bridge.

As the soldiers passed along Pratt sreet a perfect shower of paving stones rained on their heads.

The cars have left for Washington, being stoned as they left. It was the Massachusetts men that were attacked. Three of the mob are known to be dead, and three soldiers were killed. Many wounded.

The stores are being closed.

Our military are rapidly forming.

The Minute Men are out.

It is not ascertained what portion of the troops were attacked. They bore a flag as they marched along Pratt street and were greeted with showers of stones. The Mayor went ahead of them with the police.

An immense crowd blocked up the street and after enduring various insults, the soldiers finally turned and fired on the mob, several of whom were wounded.

[A subsequent dispatch states that order had been restored.]

THE SECESSION OF VIRGINIA.

WASHINGTON, April 19.

It is reliably stated by parties direct from Richmond, that the Ordinance of Secession was publicly proclaimed yesterday. The vote on its passage had been kept secret.

VOLUNTEERS FROM CANADA.

BOSTON, April 19.

It is stated that five hundred men, from Quebec and Montreal are coming here to enlist in the United States Army.

Bridges Burned in Maryland.

BALTIMORE, April 20.

The bridge at Melvale, between Woodbury and Mount Washington, on the Northern Central Railway, has been destroyd by fire.

It is reported that some Northern volunteers (from Harrisburg) are at the Relay House, on the Northern Road, but the rumor is not confirmed.

SECOND DISPATCH.

BALTIMORE, April 20.—The bridges on the Philadelphia, Wilmington and Baltimore Railroad, this side of Havre de Grace, were burned down last night, by Secessionists, anxious to prevent the passage of troops to Baltimore.

FURTHER PATICULARS.

The following dispatch from the Philadelphia, Wilmington and Baltimore Railroad Depot, partially confirms the reported destruction of bridges on that road, South of the Susquehanna river.

A letter from a prominent citizen of Prince Edward county, Va., to a gentleman in Richmond, says a large number of slaveholders in that section are preparing to emigrate with their negroes to Texas and other States farther south, and declares that "if this state of things continues, the slaveholding portion of Virgina will soon be impoverished."

THE BALTIMORE RAILROAD IN THE HANDS OF THE GOVERNMENT.

PHILADELPHIA APRIL 20, 1861.

The government has taken possession of the Baltimore road. No trains are leaving here for Wilmington.

The Union men in Delaware are in a bad fix. Through the population is largely for the Union, all State arms are in the possession of the secessionists, transferred by the Governor, who has not responded to the requisition of the President, and will not. The Union men hope that the government will take possession of the upper part of the State, order to secure the powder mills at Brandywine, at which the secessionists evidently aim.

BALTIMORE, April 22, 1861.

There is unparalled excitement here. Hundreds of private citizens are openly carrying arms. Along the line of railways the houses have got muskets and missiles, and even some small cannons in them. Volunteers are enlisting very rapidly, and the streets are crowded. In all portions of the city business is suspended. Troops are costantly arriving and are acttively engaged. Arms in abundance have been furnished.

NEW ORLEANS, APRIL 20, 1861.

The steamship Star of the West has just arrived at the call from Indianola. She has been taken there as a prize to the Confederate States.

She was captured without resistance. She has on board eight to nine hundred barrels of provisions.

PENNSYLVANIA, SS:

In the name and by the authority of the Commonwealth of Pennsylvania:

ANDREW G. CURTIN.

A PROCLAMATION.

WHEREAS, An armed rebellion exists in a portion of this Union, threatening the destruction of the National Government, periling public and private property, endangering the true peace security of this Commonwealth, and inviting systematic piracy upon our commerce:

And *Whereas*, Adequate provision does not exist by law to enable the Executive to make the military power of the State as available and efficient as it should be for the common defence of the State and the General Government:

And Whereas. An occasion so extraordinary requires a prompt exercise of the Legisative power of the State: therefore.

I, ANDREW G. CURTIN, GOVERNOR of the Commonwealth of Pennsylvania, by virtue of the powers vested in me by the Constitution, do hereby convene the Generaly Assembly of this Commonwealth, and require the members of the Senate and House of Representatives to meet in their respective Houses, in the Capitol at Harrisburg, on TUESDAY, THE THIRTIETH DAY OF APRIL, A. D. one thousand eight hundred and sixty-one, at twelve o'clock noon of that day, then and there to take into consideration and adopt such mesures in the premises as the exigency may seem to them in their wisdom to demand.

In testimony whereof I have hereunto set my hand and caused the Great Seal of the Commonwealth to be affixed at Harrisburg, this twentieth day of April, in the year of our lord one thousand eight hundred and sixty-one, and of the Independence of the United States the eighty-sixth. By the Governor.

ELI SLIFER,
Secretary of the Commonwealth.

☞The following is a copy of Major Anderson's dispatch to the Secretary of War:

SIR—Having defended Fort Sumter for thirty-four hours until the quarters were entirely burned, the main gates destroyed by fire, the gorge wall seriously injured, and the magazine surrounded by flames and its door closed from the effects of the heat—four barrels and three cartridges of powder only being available, and no provisions but pork remaining, I accepted the terms of evacuation offered by General Beauregard, being the same as were offered by him on the 11th inst., prior to the commencement of the hostilities, and marched out of the fort on Sunday afternoon, the 14th inst., with colors flying and drums beating, bringing away the company and our private property, and saluting my flag with fifty guns.

Major of the Frst Artillery.

HEAL THE SICK.—Diseases of the Bowels and Stomach are always caused by large deposits of hurtful matter, left by impure blood in those important organs, and the poisonous material in this vitiated blood, acting on the system makes it too weak to throw off this matter by the natural channels, or if any is carried off it is a very small portion. So arise diarrhœa and dysentery, colic, costiveness, bad breath, indigestion, nausea, loss of appetite, belching of wind of stomach, etc. To cure all these "the blood is the life," and must be perfectly pure and clean, then you cannot be sick. A short use of JUDSON'S MOUNTAIN HERB PILLS will delight you. You will feel with surprise their mighty power, and be willing to say with the red men of the west, truly they are the "mighty healer." ANCIENT JERUSALEM.

A LARGE AND BEAUTIFUL
ISOMETRICAL PICTURE
OF JERUSALEM
AND THE SACRED PLACES
SURROUNDING THE HOLY CITY,
AS THEY APPEARED IN ANCIENT TIMES.

The above work is commended to the favorable notice of clergymen, and those having charge of Sunday-schools, Bible-classes, and public institutions.

It is about nine feet long and six feet wide, colored and varnished, and mounted on canvas with rollers.

It has been constructed from the most reliable authentic sources, and will be found an invaluable aid to those engaged in lecturing on the Holy Land, or in imparting instruction to school classes on the subject to which it refers.

It aims to give an exact idea of the city as it appeared in ancient times. It is taken as a "birds eye" or "balloon" view, the beholder being, in imagination, placed at a considerable elevation, so as to take a comprehensive view of the city and of the whole country for some distance around.

The View is accompanied with an Outline Key, in which the different localities are numbered, and and a Descriptive Manual containing all the information necessary to enable one to use the View to advantage in teaching or lecturing.

THE SUNDAY-SCHOOL TIMES

This is a Weekly Religious Paper, published at the very low price of

ONE DOLLAR A YEAR.

It is designed for PARENTS, TEACHERS, and all who are engaged or interested in the religious training of the young. It is also an excellent FAMILY PAPER.

A portion of the *Sunday-School Times* is occupied with NARRATIVES and other matter particularly interesting to young persons. Teachers will find in it much that they will like to read to their classes—interesting matter prepared to their hands, and such as they cannot find elsewhere. For the same reasons, members of Bible-classes, and the older scholars generally, will be greatly benefited by the perusal of this paper.

The *Sunday-School Times* has every week a report of the choicest matter, selected from the NOON PRAYER-MEETINGS, which are so interesting to all classes of Christians.

Besides a large amount of general religious intelligence, the *Sunday-School Times* contains all the most recent Sunday-school news. It reports all the important CONVENTIONS of Sunday-school teachers. It discusses the questions which most interest and perplex teachers and parents, respecting the various methods of religious training for the young, the means of gaining the attention and the affections of children, and especially of securing their conversion and bringing them to Christ. The subject of Mission-Schools for cities, and of Sunday-school missionary work for the interior, is thoroughly canvassed. Indeed, there is hardly a topic of practical importance to any who are interested in the subject of religious education, which is not here brought under consideration from week to week.

The conductors of this paper endeavor to remember, that the great end of all Christian effort is to bring men to Christ. They aim, accordingly, to put into every number of the paper something which shall have for its direct object the conversion of souls.

SPECIAL OFFER.

The Proprietors of the SUNDAY-SCHOOL TIMES having acquired the exclusive right of sale of the splendid work mentioned above, the MAP OF ANCIENT JERUSALEM, offer it as a special premium to those superintendents, teachers, or others, who will assist in getting new subscribers to the paper.

We offer this superb premium to any one who will send us the names of 12 new subscribers and $12 in cash.

CAUTION.

☞In every case, before beginning to canvass, be sure to write to us and obtain the necessary documents and instructions. These will help you greatly in prosecuting the work, and will save you many mistakes. Enclose 5 cents in stamps to pay postage. Address

JUDSON'S
Mountain Herb Pills.

Above, we present you with a perfect likeness of Tezeco, a chief of a tribe of the strange Aztec Nation that once ruled Mexico. You will find a full account of him and his people in our Pamphlets and Almanacs—to be had gratis, from the Agents for these Pills.

The Inventor and Manufacturer of "Judson's Mountain Herb Pills," has spent the greater part of his life in traveling, having visited nearly every country in the world. He spent over six years among the Indians of the Rocky Mountains and of Mexico, and it was thus that the "MOUNTAIN HERB PILLS" were discovered. A very interesting account of his adventures there, you will find in our Almanac and Pamphlet.

It is an established fact, that all diseases arise from

IMPURE BLOOD!

The blood is the life! and when any foreign or unhealthy matter gets mixed with it, it is at once distributed to every organ of the body. Every nerve feels the poison, and all the vital organs quickly complain. The stomach will not digest the food perfectly. The liver ceases to secrete a sufficiency of bile. The action of the heart is weakened, and so the circulation is feeble. The lungs become clogged with the poisonous matter; hence, a cough—and all from a slight impurity at the fountain-head of life—the Blood! As if you had thrown some earth, for instance, in a pure spring, from which ran a tiny rivulet, in a few minutes the whole course of the stream becomes disturbed and discolored. As quickly does impure blood fly to every part, and leave its sting behind. All the passages become obstructed, and unless the obstruction is removed, the lamp of life soon dies out.

These pills not only purify the blood, but regenerate all the secretions of the body; they are, therefore, unrivalled as a

CURE FOR BILIOUS DISEASES,

Liver Complaint, Sick Headache, &c. This *Anti-Bilious* Medicine expels from the blood the hidden seeds of disease, and renders all the fluids and secretions pure and fluent, clearing and resuscitating the vital organs.

Pleasant indeed, is it to us, that we are able to place within your reach a medicine like the "MOUNTAIN HERB PILLS," that will pass directly to the afflicted parts, through the blood and fluids of the body, and cause the sufferer to brighten with the flush of beauty and health.

Judson's Pills are the Best Remedy in existence for the following Complaints:

Bowel Complaints,	*Debility,*	*Inward Weakness,*
Coughs,	*Fever and Ague,*	*Liver Complaints,*
Colds,	*Female Complaints,*	*Lowness of Spirits,*
Chest Diseases,	*Headaches,*	*Piles,*
Costiveness.	*Indigestion,*	*Stone and Gravel,*
Dyspepsia,	*Influenza,*	*Secondary Symptoms.*
Diarrhœa,	*Inflammation,*	
Dropsy.		

GREAT FEMALE MEDICINE!

Females who value health, should never be without these Pills. They purify the blood, remove obstructions of all kinds, cleanse the skin of all pimples and blotches, and bring the rich color of health to the pale cheek.

☞The Plants and Herbs of which these Pills are made, were discovered in a very surprising way among the Tezucans, a tribe of Aborigines in Mexico. Get the Almanac of our Agent, and you will read with delight, the very interesting account it contains of the "GREAT MEDICINE" of the Aztecs.

Observe.—*The Mountain Herb Pills are put up in a Beautiful Wrapper. Each box contains 40 pills, and Retail at 25 cents per box. All genuine, have the signature of B. L. JUDSON & CO., on each box.*

AMERICAN WATCH COMPANY

GOLD AND SILVER WATCHES.

OFFICE JOHN A. STODDART, NO. 411 CHESTNUT STREET, PHILADELPHIA, PENN'A.

Attention is invited to the following statement and the accompanying testimonials in favor of these

CELEBRATED AMERICAN WATCHES,

A Gold Medal was awarded the Company by the Massachusetts Mechanical Association, 1856. A Gold Medal was also awarded them by the American Institute at New York, in 1857. The Company also received the First Premium—a Gold Medal—from the Franklin Institute, Philadelphia, in 1858.

These Watches have now been in the market for nearly ten years, during which time they have been tested as to

ACCURACY, DURABILITY AND RELIABILITY,

in every conceivable manner, and have proved themselves to be the most satisfactory time pieces ever offered to the public.

This result has been brought about by a strict application of mechanical science to the construction of the watch from its very inception, rendering it, when finished

MATHEMATICALLY CORRECT,

in all proportions, and necessarily as perfect a time keeper as it is possible to make.

The Company have tested their Watches, in many instances, by actual daily noting, and the result of this test has been that they have exhibited a rate equal in regularity to the best marine chronometer.

N. B.—We have just introduced a

NEW STYLE OF WATCH

elaborately finished, and thinner than any we have heretofore produced, with several improvements calculated to secure the greatest accuracy of performance, and to prevent the usual accidents and derangements to which foreign watches are liable.

Letter from Paul Morphy, the Celebrated Chess Player.

NEW YORK, Oct. 15, 1859.

Mr. R. E ROBBINS, Treas. Am. Watch Co.:

Dear Sir:—The American Watch, No. 9240, presented me by the New York Chess Club, proved to be a most reliable and accurate time-keeper—almost unnecessarily so for ordinary purposes. It is now nearly five months since it came into my possession, and during that period its variation from standard time has been but a trifle more than half a minute. The following is a record of its performance. It was set June 3d correctly:

June 15, fast	4 seconds.	Aug. 15, fast	18 seconds.
July 1, - 6	do	Sept. 1, - 23	do
- 15, - 10	do	- 15, - 25	do
Aug. 1, - 16	do	Oct. 1, - 32	do

I give you permission to make such use of this statement as you may think proper.

I am, with respect, yours truly,
PAUL MORPHY.

The following is from Mr. Porter, the well known Marine Chronometer and Watch Maker.

BOSTON, Sept. 28, 1859.

R. E. ROBBINS, Treas. Am. Watch Co.

Dear Sir:—I have sold during the last year a considerable number of Watches of the Waltham manufacture, and am happy to say that all of them without exception, have fulfilled my guaranty, and have given satisfaction to the purchasers.

GEORGE E. PORTER.

The following named gentlemen may be referred to in relation to these Watches.

Hon. Hannibal Hamlin, Maine, John G. Saxe, Vermont, N. P. Willis, N. Y., Hon. N. P. Banks, Massachusetts, A. L. Hamilton, Tennessee, James W. Simonton, Cal. Carlos D. Stuart, Long Island, Townsend Harris, Japan, Horace Greeley, Frank Leslie, Norman Wiard, Wis, Dr. J. Marion Sims, Charles Hammond, Phil'a., Prof. Bartlett, West Point, Dr. Ammi Brown, Boston, Lieut. Henry A. Wise, U. S. N., Col. W. J. Harden, U. S. A., S. Ireneus Prime, D. D. White Plains, Col. T. B. Thorpe.

CAUTION.

As our Watch is now extensively counterfeited by foreign manufacturers, we have to inform the public that no Watch is of our production which is unaccompanied by a certificate of genuineness, bearing the number of the Watch, and signed by our Treasurer, R. E. Robbins, or by our predecessors, Appleton, Tracy & Co.

These Watches are for sale by Jewelers generally, and can be had on application to the undersigned.

AN APERIENT AND STOMACHIC PREPARATION of IRON purified of Oxygen and Carbon by combustion in Hydrogen. Sanctioned by the highest medical authorities, both in Europe and the United States, and prescribed in their practice.

The experience of thousands daily proves that no preparation of Iron can be compared with it. Impurities of the blood, depression of vital energy, pale and otherwise sickly complexions indicate its necessity in almost every conceivable case. Innoxious in all maladies in which it has been tried, it has proved absolutely curative in each of the following complaints, viz:

In Debility, Nervous Affections, Emaciation, Dyspepsia, Constipation, Diarrhœa, Dysentery, Incipient Consumption, Scrofulous Tuberculosis, Salt Rheum, Mismenstruation, Whites, Chlorosis, Liver Complaint Chronic Headaches, Rheumatism, Intermittent Fever Pimples on the Face, &c.

In cases of *General Debility*, whether the result of acute disease or of the continued diminution of nervous and muscular energy from chronic complaints, one trial of this restorative has proved successful to an extent which no description nor written attestation would render credible. Invalids so long bed-ridden as to have become forgotten in their own neighborhoods, have suddenly re-appeared in the busy world as if just returned from protracted travel in a distant land. Some very signal instances of this kind are attested of female sufferers, emaciated victims of apparent marasmul, sanguineous exhaustion, critical changes, and that complication of nervous and dy-peptic aversion so air and exercise for which the physician has no name.

In *Nervous Affections* of all kinds, and for reason familiar to medical men, the operation of this preparation of Iron must necessarily be salutary, for, unlike the old oxides, it is vigorously tonic, without being exciting and over-heating: and gently regularly aperient, even in the most obstinate cases of costiveness, without ever being a gastric purgative, or inflicting a disagreeable sensation.

It is this latter property, among others, which makes it so remarkably effectual and permanent a remedy for *Piles*, upon which it also appears to exert a distinct and specific action, by dispersing the local tendency which forms them.

In *Dyspepsia*, innumerable as are its causes, a single box of these Chalybeate Pills has often sufficed for the most habitual cases.

In unchecked *Diarrhœa*, even when advanced to Dysentery, confirmed, emaciating and apparently malignant, the effects have been equall decisive and astonishing.

In the local pains, loss of flesh and strength, debilitating cough, and remittent hectic, which generally indicate *Incipient Consumption*, this remedy has allayed the alarm of friends and physicians, in several very gratifying and interesting instances.

In *Scrofulous Tuberculosis*, this medicated iron has had far more the good effect of the most cautiously balanced preparations of iodine, without any of their well-known liabilities.

The attention of females cannot be too confidently invited to this remedy and restorative, in the cases peculiarly affecting them.

In *Rheumatism*, both chronic and inflammatory, in the latter, however, more decidedly, it has been invariably well reported, both as alleviating pain and reducing the swellings and stiffness of the joints and muscles.

In *Intermittent Fevers* it must necessarily be a great remedy and energetic restorative, and its progress in the new settlements of the West, will probably be one of high renown and usefulness.

No remedy has ever been discovered, in the whole history of medicine, which exerts such prompt happy and fully restorative effects. Good appetite, complete digestion, rapid acquisition of strength, with an unusual disposition for active and cheerful exercise, immediately follow its use.

Put up in neat flat metal boxes containing 50 pills price 50 cents per box; for sale by druggists and dealers. Will be sent free to any address, on receipt of the price.

The subscribers take pleasure in announcing to the Citizens of the United States. that they have obtained the agency for, and are now enabled to offer to the American public, the above justly celebrated and world renowned article.

THE STIMULATING ONGUENT

Is prepared by DR. C. P. BELLINGHAM, an eminent physician of London, and is warranted to bring out a thick set of Whiskers or a Mustache, in from three to six weeks: This article is the only one of the kind used by the French, and in London and Paris it is in universal use.

It is a beautiful, economical, soothing, yet stimulating compound, acting as if by magic upon the roots, causing a beautiful growth of luxuriant hair. If applied to the scalp, it will cure baldness and cause to spring up in place of the bald spots a fine growth of new hair. Applied according to directions, it will turn red or towy hair dark. and restore gray hair to its original color, leaving it soft, smooth and flexible. The "Onguent" is an indispensable article in every gentleman's toilet, and after one week's use they would not for any consideration be without it.

The subscribers are the only Agents for the article in the United States, to whom all orders must be addressed.

ROHRER'S PRACTICAL CALCULATOR.—A Book of Plain Rules and Calculations for Business Operation, By Martin M. Rohrer, Practical Surveyor and Conveyancer. New Edition, Published by J. B. Lippincott & Co., Philadelphia.

This work contains 204 pages, and upwards of 500 Rules and Examples, entirely and thoroughly practical, such as arise every day in the common pursuits of Business. It has already passed through a number of Editions in rapid succession, and is pronounced by all classes of business men to be the handiest book of reference, pertaining to calculations, that has ever been published.

Every example in the book is worked out in full and stated in a plain manner, so that when a parallel case arises, those referring to the work will find no difficulty in readily solving it; in a word, the general arrangement of the Calculator is so simple, that any one who knows how to add, substract, multiply, or divide, can easily solve any ordinary example that arises in business, or arrive at the result of any estimate required.

The chief aim of the author has been to eschew theory and philosophy in figures, aiming only at facts and simplicity, believing that business men care little about spending time in discussing the philosophy of rules or the science of figures, deeming it sufficient for their purpose to be able at a moment, by reference, to arrive at the true result The calculator differs in this respect from all Arithmetics of the day, and kindred works—it is a key to practical business calculations—it is, in the hands of the business man, what the key to mathemrtical works is in the hands of the teacher in the school-room—it facilitates time and insures correctness.

THE WORK TREATS OF THE

Measurement of Land, of Lumber, of Brick and Brick work, of Stone and Stone Work, of Grain and Grain Bins, of Coal and Coal Bins, of Wood, of Solids, of Liquids, of Circular, of Square, or Irregular Vessels, of Cisterns and Vats, of Roofing, of Plasterers', Painters', Glaziers', Pavers', Plumbers, Paper Hangers', and Upholsters', Work. It treats of Currency and of Foreign and Domestic Exchange of the Decimal System, of Reduction and its extended application to Business, of Simple and compound Interest, and their entire application to Business transactions, with the laws and usages governing and regulating the same, together with numerous Commercial Forms—of Legal Tender, of Partial Payments on Notes, of Banking and Bank Discount of Equation of Payments and Partnership Accounts of Assessment of Taxes, of Weights and Measures, of Square and Cubic Measure, of the Square Root and its application to Business, of Surfaces, of Excavation, and of many other important practical matters not within the scope of an advertisement to mention.

MRS. HALE'S RECEIPTS for the million, at Dr. Harry's.

AYER'S CATHARTIC PILLS.

Are you sick, feeble, and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors—purify the blood, and let the fluids move on unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public persons.

From a Forwarding Merchant of St. Louis, Feb. 4, 1856.

DR. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

ASA MORGRIDGE.

As a Family Physic.

From Dr. E. W. Cartwright, New Orleans.

Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.

Headache, Sick Headache, Foul Stomach.

From Dr. Edward Boyd, Baltimore.

DEAR BRO. AYER: I cannot answer you *what* complaints I have *cured* with your Pills better than to say *all that we ever treat with a purgative medicine.* I place great dependence on an effectual cathartic in my daily contest with disease, and believing as I do that your Pills afford us the best we have, I of course value them highly.

PITTSBURG, Pa., May 1, 1855.

DR. J. C. AYER. SIR: I have been repeatedly cured of the worst *headache* any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once.

Yours with great respect, ED. W. PREBLE,
Clerk of Steamer Clarion.

Bilious Disorders—Liver Complaints.

From Dr. Theodore Bell, of New York City.

Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of *bilious complaints* than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR,
Washington, D. C., 7th Feb., 1856.

SIR: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of *bilious disease* so obstinate that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D.,
Physician of the Marine Hospital.

Dysentery, Diarrhœa, Relax, Worms.

From Dr. J. G. Green, of Chicago.

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for *bilious dysentery and diarrhœa.* Their sugar-coating makes them very acceptable and convenient for the use of women and children.

Dyspepsia, Impurity of the Blood.

From Rev. J. V. Himes, Pastor of Advent Church, Boston.

DR. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. V. HIMES.

WARSAW, Wyoming Co., N. Y., Oct. 24, 1855.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and *purify the fountains of the blood.*

JOHN G. MEACHAM, M. D.

Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Dropsy, Paralysis, Fits, etc.

From Dr. J. P. Vaughn, Montreal, Canada.

Too much cannot be said of your Pills for the cure of *costiveness.* If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe *costiveness* to originate in the liver, but your Pills affect that organ and cure the disease.

From Mrs. E. Stuart, Physician and Midwife, Boston.

I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the *natural secretion* when wholly or partially suppressed, and also very effectual to *cleanse* the *stomach* and *expel worms.* They are so much the best physic we have that I recommend no other to my patients.

From the Rev. Dr. Hawkes, of the Methodist Epis. Church.

PULASKI HOUSE, Savannah, Ga., Jan. 6, 1856.

HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating *neuralgic pains,* which ended in *chronic rheumatism.* Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.

SENATE CHAMBER, Baton Rouge, La., 5 Dec. 1855.

DR. AYER: I have been entirely cured, by your Pills, of *Rheumatic Gout*—a painful disease that had afflicted me for years. VINCENT SLIDELL.

☞Most of the Pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

Price, 25 cents per Box, or 5 Boxes for $1.

Prepared by Dr. J. C. AYER & CO., Lowell, Mass.

B. F. Harry, Bedford; Barndollar & Son, Bloody Run; G. B. Amick, St. Clairsville; J. Breneman, Woodberry; Geo. Gardill, West End; J. E. Colvin, Schellsburg; and by dealers generally.
